Steam-bent 'Pure-Solid™' Drum shells by Ron Vaughn

414				
415				
416		Ron's original steam bent 'Pure-Solid™' drum shells are made in the U.S.A exclusively by Ron Vaughn, Inc.		
417		Our production of these beautiful sounding, beautiful looking shells remains largely sold to capacity to our		
418		faithful long-term customers who have been purchasing them for decades.		

New solid shell customers can check our online store for any immediately available solid shells.

419				
420		Shell size selection remains unchanged, i.e., 3" diameter, (Boo Bams), up to 72" diameter (concert bass drums).
